

Judging Updates

FIRST LEGO League
Maryland

What's New in 2018

- Piloting new simplified rubrics - Use the version found on www.marylandfill.org under team resources (will be posted this week)
 - 3 rating categories
 - 1 comment block on bottom of form
- Minor updates to pilot Global Innovation process

Advancement to State Championship

Eligibility Requirements

- Follow all FLL participation rules
 - 2-10 member per team
 - All students participate in each area
- No disqualifying Core Values Behaviors (Coaches too!)
- Complete all 3 areas of project
- Rank in top 75% of Robot Game Scores at your event (this is an easier barrier than Champions Award!)

How are teams selected

- Champions Award criteria is used
- Eligible teams are considered based on performance in the three judged areas
- Equal weight given to each of the three area (must participate in everything!)
- Similar percentage of teams advance from each qualifier (last two years, ~20%)
